- (ii). **Post confirmation payments.** Post-confirmation payments to creditors holding claims secured by personal property shall be paid as set forth in subparagraphs (a) and (b). If the Debtor elects to propose a different method of payment, such provision is set forth in subparagraph (c).

Claims listed in this subsection consist of debts secured by a purchase money security interest in a vehicle for which the debt was incurred within 910 days of filing the bankruptcy petition, or, if the collateral for the debt is any other thing of value, the debt was incurred within 1 year of filing. See § 1325(a)(5). After confirmation of the plan, the Trustee will pay to the holder of each allowed secured claim the monthly payment in column (f) based upon the amount of the claim in column (d) with interest at the rate stated in column (e). Upon confirmation of the plan, the interest rate shown below or as modified will be binding unless a timely written objection to confirmation is filed and sustained by the Court. Trustee may pay each allowed arrearage claim at the monthly rate indicated below until paid in full.
